About Us

The Grisso Mansion is on the National Register of Historic Places. The mansion was a “dream home” built by W.E. Grisso for his wife Maggie. Construction on the home began in 1926 and concluded in 1928. Built at a cost of \$750,000, the 26-room mansion has many unique features including a cascading stairway, a ballroom, eight fire places, a conservatory and a vineyard. With Italian Renaissance charm, the Grisso Mansion also features stunning fountains, an enchanting koi pond and a native stone reflecting pool.

Located less than one hour east of Oklahoma City, this Oklahoma treasure is currently open for weddings, parties, reunions and tours.
